

The Tenth Anniversary Big Sioux Review will be held on September 26, 2009 at Brandon Valley High School. Twelve bands from South Dakota and Minnesota will participate in our competition. The Brandon Valley Marching Lynx will perform their 2009 show "Life Rhythms" in exhibition.

Bands as a whole are judged in four areas of performance including Music Execution, Marching and Maneuvering Execution, Music General Effect, and Marching and Maneuvering General Effect. The percussion and color guard sections are each rated on their performances as well. In addition, "Caption Awards" are given in each class for outstanding winds, drumline, color guard, and drum majors. A "Sweepstakes" trophy is awarded to the band that receives the highest total points.
