The Festival of Bands is a musical event hosted and staffed by the band parents and band directors of Sioux Falls Roosevelt, O'Gorman, Washington and Lincoln High Schools. It features a very full day of marching activities for a large lineup of bands from South Dakota, Minnesota, Iowa, Nebraska and Wyoming. This 24th year of competition is expected to draw up to 10,000 visitors and competing band members. Last year's lineup of 34 bands on parade and 24 bands in field prelims was one of the largest lineups of bands ever to appear at the Festival.

The eight-block morning parade follows Main Avenue through downtown Sioux Falls, with judging near the third block of the route.

During the parade and at prelims, bands compete in four classes for rating and ranking, with judges offering evaluation and commentary to the competitors. Trophies are awarded to the top three bands in each class. At finals, the 10 advancing bands compete in one class for trophies to the top five places.
